

Visual Arts

Threads and Textiles

The Year 5/6 students had the opportunity to experience sewing during the Threads And Textiles unit of work. They showed their amazing sewing techniques and produced high quality pieces of art work. Weaving was explored by the preps to year 4 students. The students worked extremely hard and produced amazing pieces that they should all be proud of!!

Performing Arts

Students from Prep to Year 6 had a great time developing their drama skills.

They developed skills such as;

- Using their body to communicate
- Using their voice to communicate
- Working in a small group
- Working in a creative way
- Performing in front of an audience

Physical Education

Students from Prep to Year 6 had a great time developing their physical education skills. They developed skills such as;

- Jumping with two feet
- Hopping on one foot
- Balancing on a line
- Striking a ball with a tennis racquet and baseball bat
- Fielding with a tennis ball
- Kicking with a soccer ball
